

**Cameron County School District, Emporium, PA**

August 25, 2025

Dear Parents and Guardians,

My name is Shawn Turner, and I am excited to introduce myself as the student teacher who will be working in your child's classroom this fall. I am currently attending Wilson College, where I am pursuing a bachelor's degree in PK-12 Special Education.

From **August through October**, I will be at **Woodland Elementary School**, and from **October through December**, I will continue my student teaching experience at **Cameron County High School**. During this time, I look forward to learning alongside your children, supporting their growth, and contributing to the positive learning environment for which the Cameron County School District is known.

I bring with me several years of experience as a **Paraeducator**, a role I have held since September 2019. This work has given me valuable opportunities to support students with diverse needs and to collaborate closely with teachers, families, and school staff. I am originally from **Port Allegany, PA**, and I am eager to serve the Emporium community during my student teaching placement.

I am grateful for the opportunity to be part of your child's educational journey. Please be assured that I am committed to supporting each student's success and to learning as much as possible from this experience. Thank you for welcoming me into your schools and classrooms.

Sincerely,

Shawn Turner
